Collection Of Personal Information

We collect personal information from you (such as name, address, telephone number, email address etc) when you complete registration or enquiry forms or send emails to us. Please do not submit your personal information to us if you do not wish us to collect it.

Collection Of Other Information

In addition to personal information, we may collect information about you automatically when you visit the Site. The collection of information may involve the use of cookies and web beacons. A web beacon is a small graphic image placed on a web page that is designed to allow us to monitor traffic on the Site. A cookie is a small text file that is placed on your computer's hard drive by your web browser when you first visit the Site. The cookie allows us to identify your computer and find out details about your last visit. Most internet browsers accept cookies automatically, but usually you can alter the settings of your browser to erase cookies or prevent automatic acceptance if you prefer. If you choose not to receive our cookies, we cannot guarantee that your experience with the Site will be as quick or responsive as if you do receive cookies.

The information collected by cookies and web beacons is not personally identifiable, it includes general information about your computer settings, your connection to the internet e.g. operating system and platform, IP address, your browsing patterns and timings of browsing on the Site and geographical location.
